God the Father who is in Heaven urges us to follow his benevolent plan, accept any trial in life to be deserving of Heaven.

*During the recitation of the Holy Rosary, the Voice of God the Father.*

«Only with prayer you will have the consolation to go forward in your lives. Put everything in God's hands and wait sweetly for the marvels of He who can do everything.

You want everything and immediately, learn to follow God's plan and his Divine Will. You have to say:

*"Your Divine Will be done".*

Never give up, because giving up means surrendering to my enemy and yours:

*“You want to take me away from God. Never mind! You must not kidnap my soul, you must not infect this body of flesh, you must not have victory over me”.*

You must accept any test, and the door of Heaven will be opened to you. You must deserve it with an exemplary lifestyle. Take the example of the Mother of Heaven, Mary Most Holy, there was no greater pain on Earth and there never will be.

Don't lose peace, what value does your creed have? Your creed is always:

*“Yes Lord, God of Heaven and Earth, I want to do your Divine Will, which is my good for eternity”».*
