written by MIO PICCOLO FIORE | March 25th, 2023

«My daughter I am Jesus Christ, your Redeemer.

My people what have I done to you, you have lost all morality!

Your planet Earth will be plunged into the most shocking calamity that has ever occurred in the history of human existence.

Where am I? I am in the heart of each of you! Where do you think you are going without Me? Remember: I Am Him, the Word of the Father, the Most High Almighty who makes all things in this Universe.

Return to Me with all your being. Give Me your spirit and you will have true peace in your heart. I am Peace, I am the Eternal and together with Me you will have eternal life within you forever.

*Turn away from sin. Where there is prayer and penance from sin itself you will not be contaminated.*

My children, paid dearly, remember that I gave my life for you! You turn your back on Me, until you feel like God. I lead your lives. I Am He who gives life and death, whoever turns away from Me loses the knowledge of life.

The devil enters to stir up brilliant situations at the moment, which then, once submerged by his evil thoughts. The corruption of consciences enters, here comes the loss of peace and physical evil will dwell in you.

Not so I Jesus created you for this existence of life, but I gave you a spirit of peace. By distancing yourself from Me Jesus, you will fall into the coils of the enemy, who, dragging you into sin, uses your body to lead you to do abominable things and, having said yes, he is pleased.

On Earth the hour is dark, how many cries of my people my Heart hears! Cries of tears and pain.

Children, return to Me, together with one another, make great repentance of heart with true contrition and I will come to meet you at the moment. I will not make you feel alone. You will feel my Divine Presence which carries within itself the strength to rebuild your renewed body within you, being the Temple of the Holy Spirit. With holy fear within you, slowly, slowly, day after day, you will make of yourselves my children into fragrant flowers, once called to Me Jesus Christ, to adorn Paradise.

And now my daughter and my children, I give my blessing and my Peace to everyone. The Most Holy Trinity. The Amen».
