«I am Jesus my daughter. The whole world is under the dominion and control of the human being who inhabits it.

Be my followers with my Word spoken to you in the Holy Scriptures, to be able to move forward with this dripping.

There are human beings who want to suppress a large part of humanity.

Stay united with Me Jesus Christ to have the strength to move forward in this dark time, where there is no longer love in the hearts of many of my children.

You have become worse than the beasts that live in the forests. I Jesus did not create you to destroy each other, one against the other, but to try to survive in the storms of life that can happen in normal conduct. Some of you, many of you, my children, have put Me aside or, even worse. Turned your back on Me, as if I, your Creator, had become a

distant symbol.

You have removed Me from your heart and now you must wait for I, the Lord of Hosts, to return to make this planet Earth more hospitable, more human. Changing your heart that has become of stone into a heart of flesh. You have covered yourselves with the deepest sin and this sin is like the woodworm, slowly, slowly it has taken away the emblem of the love that I Jesus placed within you, like your flesh that covers your matter.

Children of this generation, return to Me on your knees, before the King of Kings as I am. With unanimous cries raise your arms towards the Sky and I, your Celestial Father, will come to meet you, to calm all the cracks that are within you. I come to restore order, peace, love, because I Jesus Christ am the Eternal Love, the true one that never dies.

Be ready, because you have not been given to know the day or the hour. I the Creator of All will come with my judgment to judge you all. You will feel me in your heart. You will hear my voice and you will come to die to have knowledge and remorse for your sin committed towards others.

The punishment will happen as it has never happened on Earth. I will withdraw a large part of humanity to Me and when your planet is covered with corpses many of you will envy the dead.

> *An evil era ends to begin one more suited to creatures, where love will exist to expand it to everyone you meet.*

Harmony will enter the hearts and the whole Earth will acquire a new aspect. New heavens and new earth, like the season of spring, rebirth after death.

And now my daughter, loved by my Divine Sacred Heart, I give you my blessing and to all my children who read these Divine Words, go into my Peace. The Most Holy Trinity. The Amen».
